CLASS KITS

In order to help students feel less stressed about classes, Pat has been providing Kits for some of them. The cost is minimal and the response has been very positive. For the Zentangle Class you just show up- nothing needed, not even any skill!

Here is what students have said-----

“There is always so much to gather for classes.... I love just packing my machine and tools and not packing up tons of fabric that I may or may not use”

“If I would have gone out to purchase the supplies I would have spent much more ...”

You can even go online to download & laminate a general “not to forget” supply list.
