[virtual gallery- "Shimmering Sky"](#)

Judi Eichler-Curator's Statement:

At this time of the year where I live, the skies are often gray. I imagine, on a gray day, the wonderful shimmer of the sun on water, the golden tones at sunrise, and the rosy tint of the clouds in the sky at sunset. These artists have depicted some beautiful skies at all times of day, at all times of the year. Enjoy!

**So Nice to hear that students are having so much fun with Zentangle & Zen Quilting!
Another class scheduled!**

I have received so many emails from Zentangle and Zen Quilting students telling me how much they enjoy this relaxing art form.

The next 2 Zentangle classes are scheduled at

**[Quilts & More in Westerly Rhode Island](#)
[Sat. Jan 29 10:00-12:30 or 1:30-4:00](#)**

**Zentangle=
drawing repetitive patterns in odd shaped spaces.**

Invented by Maria Thomas & Rick Roberts

*A form of drawing with pen (pigma) on paper (zentangle tiles) that is easy, relaxing and creates focus.

*Requires no art skills- even those who think they can't draw can do Zentangle!

**Zen Quilting=
stitching repetitive patterns in odd shaped spaces.**

Invented by Pat Ferguson, CZT-Certified Zentangle Teacher

*A form of quilting with thread (black & white) on fabric (pima cotton) that is easy, relaxing and creates focus.

*Become one with your machine, relax your hand, improve your quilting skills and create new quilting designs far beyond stippling.
