[New Zentangle Products!!](#)

So excited to announce these new products!!

[Black Zentangle Tiles and White Pens & Shading Pencils](#)

New **black tiles** are cut from the original 3.5 x 3.5" square tile die, only with black paper. Arches Cover Stock (pronounced "arsh) is 100% cotton and a perfect weight and texture for tangling.

To complete your Black Tile experience we are recommending **Sakura's White Gelly Roll Pen** which glides beautifully over the Arches paper. It takes very little pressure for this pen to work its magic. By simply tickling the paper you allow the ink to flow elegantly into your drawing. We use a **White Charcoal Pencil** to draw strings and highlight the finished tangles. Slowly work up layers with your pencil. Feel free to blend or smudge this pencil with your fingers or a Blending Stump.

Tip: Be sure your white ink is dry before adding pencil.

21 Black Zentangle Tiles-- \$13.00

White Gelly Roll Pen-- \$1.39

White Charcoal Pencil-- \$1.50

[Zentangle Artists Trading Cards \(ATC\)](#)

After many requests from the Artist Trading Card (ATC) community we are introducing Zentangle ATC Tiles- standard 2 ½ by 3 ½ inch Artist Trading Card size. It is beautifully die cut and available in either our traditional white Fabriano Tiepolo or our new black Arches Cover.

21 White Zentangle ATC Tiles-- \$9.00

21 Black Zentangle ATC Tiles-- \$9.00

PAT'S POINTER

Time to Wash Your Quilts

Now that the trees are in full bloom and the pollen count has decreased, it is a great time to give your quilts a gentle washing and airing.

[Click here to view a free tutorial on "Quilt Care & Storage" for new or vintage quilts.](#)

It is important to use the best products for the best results.

If your quilts are newer, [Orvus Quilt Soap](#) is all you need.

Orvus has been in use for many years.

It is gentle, biodegradable and contains no phosphorus.

Vintage quilts, linens, christening gowns etc., that have yellowed or have stains will benefit from [Vintage Quilt Soak](#).

Giving a quilt as a wedding gift?

Many non-quilters simply don't know how to take care of this precious labor of love. Consider including a [Quilt Care Kit](#) to show them the importance of properly caring for their quilt. Feel free to add a download of Pat's ["Quilt Care & Storage" tutorial](#).

If you are taking out your summer quilts and placing your winter quilts in storage, be sure to protect them in new, unused [Quilt Storage Bags](#).
