Half- .17 per linear inch

Complete- .50 per linear inch

Trim Only- \$15- \$25

♥ **Rescue your unfinished**

quilt top (old or new)

Prices quoted per job

To calculate square inches:

Measure quilt top length & width.

Multiply length by width.

Example: 81W x 96L=7776 square"

To calculate linear inches:

Measure quilt top width & length

Add width + length, multiply by 2

Example: 81W + 96L=177x2=354"

Is Your Quilt Ready?

**Use this handy check list
for your convenience**

*(An additional fee will be charged for each
of the following services that must be

Zentangle Teacher

~Pat has been quilting since 1980, custom machine quilting and teaching since 1985~

"I have taught a wide variety of classes in all skill levels enabling me to efficiently quilt, build and repair my customer quilts.

My specialty is free motion machine quilting, thread embellishment and hand painting, which I use in my fiber art quilts and customer quilts.

I treat every quilt as if it were unique and as if it were my very own! Every quilt deserves to be quilted...

STORE YOUR QUILT PROPERLY

~Proper storage will extend the life of your quilt for future generations~

- *Never leave your quilt in direct sunlight- fading can occur very quickly
 - *Never store in a black plastic garbage bag- this can easily end up in the trash
 - *Never store in a plastic box- moisture can be trapped & accumulate in the fabrics
 - *Never store in a cardboard box- the acid can discolor and deteriorate the fabrics
 - *Always refold your quilt in different ways to avoid permanent creases
- Place acid free tissue paper around quilt & between folds to prevent creases, wear.

Place in a new, washed, unbleached pillowcase

WASH YOUR QUILTS GENTLY

NEVER DRY CLEAN A QUILT

"ORVUS" quilt soap will gently wash out daily use & keep your quilts bright & fresh.

~Older quilts may have stains or rust spots~

"Vintage Textile Soak" will gently remove most of these stains and discoloration, leaving your quilts refreshed & renewed.

(consult an expert before washing fragile quilts)

LABEL YOUR QUILT

~Any quilt or wall hanging that you make deserves a label which is a valuable documentation tool for now & for the future~

*The label should contain at least:

your name, machine quilters name
date completed & state you live in
title of piece

*Sign your label with
archival quality "Pigma Pens"
